WHAT'S COOLKIT?

CoolKit is our range of lightweight, breathable work wear designed to keep you cool and comfortable when you're working hard.

CoolKit shirts, such as the 2013, has strategically placed cotton mesh venting under the arms and on the back for increased airflow in areas you sweat the most, thus creating a cooling effect in hot conditions.

TESTED TO AUSSIE CONDITIONS

KEEPING YOU **COMFORTABLE**

WHEN THINGS GET HOT AND SWEATY
